If the notice was given to a Master Mailing List (MML) or Limited Mailing List (LML), the affidavit or declaration shall also state the date on which it was retrieved from the database of the court.

(c) Time Allowed for Objections

- (1) The moving party shall provide at least twenty-one (21) days, plus three (3) additional days if required by Federal Rule of Bankruptcy Procedure 9006(f), for objections prior to presentation of an order or the taking of an action, unless a different time is prescribed.
- (2) A motion for an order reducing the time for making objections to a proposed action may be made and granted after notice for cause shown. Notice of such a motion shall clearly state the reasons supporting the necessity for a reduction of time and that objections may be made to the requested reduction. The objections will be considered by the court at the time of hearing on the motion for the principal relief requested. A motion for an order as to the principal relief requested and for the reduction in time may be combined provided both motions are clearly captioned and the requests separated in the body of the combined pleading.

(d) Mailing Lists

- (1) The addressees of notices shall be in accordance with Federal Rule of Bankruptcy Procedure 2002(g). Notice required to be given to all creditors is presumed to be appropriate if provided to all entities on an MML or LML retrieved from the database of the court within five (5) days of the notice, and as required by Federal Rules of Bankruptcy Procedure 2002 and 9036.

(A) Master Mailing List (MML)

A Master Mailing List is maintained by the office of the clerk for each pending case. This list is updated in accordance with Federal Rule of Bankruptcy Procedure 2002(g). The Master Mailing List is produced and maintained using the matrix provided by the debtor pursuant to LBR 1007-2, requests from governmental agencies, written requests by entities who wish to be added, deleted or have their addresses changed, and proofs of claim.

(B) Limited Mailing List (LML)

A Limited Mailing List is maintained by the office of the clerk and is based on an order of the court. A party desiring that a Limited Mailing List be established in a case shall do so by notice and hearing. The proposed order establishing a Limited Mailing List shall contain a list of each entity to be listed on the Limited Mailing List, with directions, if appropriate, as to classes or types of entities to be added. The order shall also state the scope and duration of the order. Once established, the Limited Mailing List will be maintained by the clerk in the manner provided in subparagraph (A) above.

(C) Changes to Mailing Lists

Withdrawal by an attorney from a case is not sufficient for removal of such attorney's name from the Master Mailing List or the Limited Mailing List, however, a formal notice of appearance in a case by an attorney is sufficient to add such attorney to the Master Mailing List or the Limited Mailing List. A written request to receive all notices will be sufficient to add such requesting party to both the Master Mailing List and the Limited Mailing List.

(2) Notice in Non-lead Consolidated or Joint Administration Cases

In order to be presumed appropriate, notice given to the MML or LML of a non-lead case that was consolidated or where joint administration was ordered shall include, in addition to the names contained on the MML or LML of the non-lead case, all entities that filed a request for notice in the lead case after the cases were consolidated or joint administration ordered.

(3) A party in interest who wishes to receive all notices, in addition to notices required to be sent to the MML or LML, shall give notice to the MML or LML as appropriate, and file a certificate of mailing as required by sub-section (b)(4) above.

(e) Signing of Orders Where No Objection is Pending

- (1) If no objection is made as provided in paragraph (f) of this Rule or if withdrawal of an objection is filed or the objecting party has endorsed the related order, an actual hearing is not required for any "notice and hearing" matter.
- (2) The submission of ex parte orders shall be as prescribed in LBR 9013-1(c)(2) & (3).

(f) Objection

- (1) A party objecting to an act or the entry of an order contemplated by a notice shall file with the clerk and serve on the moving party a written objection within the time set forth in the notice. The objection shall state briefly the grounds therefore.
- (2) If an objection states no grounds, the court may strike the objection on ex parte motion of the moving party. The moving party, however, may make such ex parte motion to strike only after the objecting party fails within seven (7) days to respond to a request by the moving party for a brief statement of the grounds for the objection.
- (3) If an objection is filed, the moving party shall promptly request a hearing date from the clerk.

The confirmation summary shall make a recommendation as to confirmation and shall comment on each of the following:

- (1) The debtor's eligibility for relief under Chapter 12;
- (2) The liquidation statement, the cash flow budget, and proposed order confirming the plan;
- (3) Objections to the confirmation of the plan;
- (4) The status of any valuation disputes;
- (5) The feasibility of the plan;
- (6) The validity of the secured claims; and
- (7) The appropriateness of attorney fees disclosed by the Attorney Statement of Compensation and of the total attorney fees estimated to be paid either as a cost of administration or directly by the debtor.

(j) Hearing on Confirmation

- (1) The confirmation hearing shall be scheduled one hundred twenty (120) to one hundred thirty-five (135) days from the filing of the petition. Notice thereof shall be given with the notice of the meeting of creditors and at the time the plan is filed.
- (2) Objections to confirmation shall be heard at the confirmation hearing. The Court will require production of evidence supporting confirmation of the plan even if no objections are before the Court. This evidence will include, but is not limited to, proof of eligibility for relief under Chapter 12, a liquidation analysis supporting the assertion that the unsecured claims will not receive less than they would receive in a Chapter 7 liquidation, and projections of future operations supporting the contention that the plan is feasible. If no objection is before the Court, the Court may determine, without receiving additional evidence, that the plan has been proposed in good faith and not by any means forbidden by law. If no objection is before the Court and the debtor requests, evidence supporting confirmation of a plan may be submitted by affidavit and the confirmation hearing conducted by telephone conference; provided, however, in such a case that the debtor must participate in such phone conference and be available under oath to answer such questions as the Court may have relating to confirmation.

(k) Preconfirmation Modification of the Plan

If, in connection with the confirmation hearing, parties modify the plan as an accommodation or settlement, the Court may conditionally approve the modified plan, adjourn the hearing on confirmation, and order notice of the modification pursuant to § 1229(b) of the Code reserving the signing of the order of confirmation until the time for objections to modification has passed without objection.

(l) Postconfirmation Modification of the Plan

- (1) A party requesting modification of the plan after confirmation shall give thirty (30) days' notice and an opportunity to be heard to the debtor, all creditors, the Chapter 12 trustee, and all other parties on the Master Mailing List.
- (2) Once the plan has been modified as above, without objection, the proponent of the modification shall forthwith serve on the Chapter 12 trustee a copy of the modification together with a certificate stating that:
 - (A) The modification has been filed with the Clerk;
 - (B) Notice has been given in accordance with this rule; and
 - (C) No objections have been filed or served. If the plan is modified after objection and Court hearing, the proponent of the modification shall serve a copy of the modification and order approving the modification on the Chapter 12 trustee.
- (3) If a modified plan provides for the payment of claims not listed on the original schedules, notice of the modification shall be given to the additional creditors.
- (4) The Chapter 12 trustee may pay postpetition claims only if the plan is modified as above and the postpetition creditor affirmatively agrees in writing to payment under the plan.

(m) Dismissal of Case by Debtor

Absent an order to the contrary, a debtor desiring to dismiss the case shall give notice to the Master Mailing List in accordance with LBR 2002–1.

(n) Discharge of Debtor

Upon completion of all payments under the plan, the debtor(s) shall file a motion for entry of discharge on the prescribed local form (LF 2082-1) and provide ten (10) days' notice to the Master Mailing List or file a written request to waive discharge.

(d) Valuation of Security, Determination of Extent of Lien, and Lien Avoidance

- (1) Valuation of claims secured by a lien on property in which the estate has an interest shall be by a separate motion pursuant to LBR 3012-1. The order valuing the claim voids the lien to the extent of the unsecured portion of the claim pursuant to § 506(d) of the Code. In the event of dismissal of the case prior to discharge, this voided lien will be reinstated pursuant to § 349(b)(1)(C) of the Code unless otherwise ordered.
- (2) All actions to determine the validity, priority or, other than (1) above, the extent of a lien, shall be made by Adversary Proceeding, however, such relief may also be sought in an objection to allowance of claim pursuant to LBR 3007-1.
- (3) Actions to avoid judicial or non-possessory non-purchase money security interests under § 522(f) of the Code shall be by a separate motion pursuant to LBR 4003-2.

- (3) If during the pendency of the plan arrearages are brought current, then the plan may be modified to allow for payments to be made directly to the creditor by the debtor.

(g) Funding of Plan by Sales

 - (B) Identification of all lien holders and the amount of each lien;
 - (C) If a broker is to be employed, the name of the broker and when the property was or will be listed;
 - (D) The terms of the broker's agreement;
 - (E) The price sought for the property;
 - (F) The method used in arriving at the value of the property; and
 - (G) The time frame, including mileposts where appropriate, during which the property will be marketed.
- (2) The debtor shall provide quarterly status reports to the chapter 13 trustee.

(h) Confirmation

- (1) Upon resolution of all objections, the trustee shall file as soon as practicable an unsworn statement under penalty of perjury stating the plan is feasible and satisfies the requirements of § 1325(a)(1),(4) and (5) of the Code.
- (2) The court will prepare the confirmation order.

(i) Modification of Plans

(1) Modification Prior to Confirmation

Modifications made pursuant to § 1323 of the Code shall be on twenty-one (21) days' notice and hearing in accordance with LBR 2002-1. A plan shall not be confirmed until the time to object to any such modification has expired and all objections resolved.

(2) Modification After Confirmation

(A) A modification proposed by any entity other than the debtor shall be on twenty-one (21) days' notice and hearing to any adversely affected party, the chapter 13 trustee, debtor and debtor's attorney. The modification shall become effective upon the expiration of the time to file objections, if there are no objections, or upon resolution of all objections made.

(B) A modification proposed by the debtor shall be on twenty-one (21) days' notice and hearing to the chapter 13 trustee and any adversely affected party, and if the modification provides for payment of a post-petition debt, the holder of such debt. The modification shall become conditionally effective upon the filing and service of the notice. The modification shall become permanent upon the expiration of the time to file objections if no objections are timely made or upon resolution of all objections made.

(3) Effect of Disallowance of Modifications

If a proposed modification is disallowed, the plan in effect immediately prior to such modification shall be the plan, and debtor shall be responsible for curing any default occurring during the period of conditional modification.

(4) Modification by Stipulation Between Chapter 13 Trustee and Debtor

The chapter 13 trustee and the debtor may stipulate to a modification before or after confirmation where no parties are adversely affected. Such modifications shall be effective upon the filing of the stipulation.

(5) The debtor shall file an amended Plan Funding Analysis (LF 2083B) upon the making or proposing of a modification pursuant to subparagraph (i) (1) or (2) of this rule.

(j) Payments To and Distributions By Chapter 13 Trustee

(1) Payments to Chapter 13 Trustee

The debtor shall make all pre- and post confirmation payments on obligations for leases of personal property and obligations owed to a creditor that has a security

interest in personal property to the chapter 13 trustee including all obligations provided by § 1326(a)(1) of the Code, as well as obligations secured by real property as required by sub-paragraph (f) of the rule, unless otherwise ordered by the court.

(2) Filing Fee Installments

Installment payments of filing fees where allowed shall be paid directly to the clerk of court, however, if such fees are received by the chapter 13 trustee, the chapter 13 trustee may return them to the payor or deliver them to the clerk without further order of the court.

(3) Distributions by Chapter 13 Trustee Based on Modifications

Distributions may be made by the chapter 13 trustee in accordance with a conditional modification until such modification becomes permanent, is disallowed or otherwise ordered, and the chapter 13 trustee is served with a copy of such order by the objecting party.

(4) Post-petition Claims

Proofs of claim filed pursuant to § 1305(a)(1) of the Code for post-petition tax claims may be paid without a modification to the plan, however, proofs of claim filed pursuant to § 1305(a)(2) of the Code for consumer debt may only be paid if a modification to the plan so provides.

(5) Disposition of Funds on Conversion or Dismissal

On the conversion or dismissal of a case, the chapter 13 trustee shall, as soon as practicable, disburse any remaining funds in accordance with § 1326 of the Code. If a motion is filed pursuant to § 348(f)(2) of the Code and the trustee is served a copy thereof prior to disbursement, then the chapter 13 trustee shall not further disburse until resolution of the motion.

(6) Pre-Confirmation Distributions

The chapter 13 trustee is authorized to make distributions prior to the confirmation of the plan on obligations for leases of personal property, and on obligations secured by personal or real property. Such pre-confirmation distributions shall be made in the sequence and in the amount set forth in the debtor's plan. If the Trustee has insufficient funds on hand to make the distributions to all classes, the funds will be distributed as provided in the plan to the extent the funds are available. Claims within a particular class which cannot be paid the proposed distribution shall be paid a pro rata share of the funds available. Upon confirmation of the plan, payments will be made as set forth in the plan.

(k) Post-confirmation Sale of Property by Debtor

If the debtor proposes to sell property pursuant to § 363 of the Code, then, unless the property is fully exempt or is valued in an amount of \$7,500 or less, the debtor shall promptly provide to the chapter 13 trustee an amended statement of income and expenses as prescribed by the appropriate official form projecting any changes occasioned by the sale and a good faith estimate of closing costs or other similar document and any other documents requested by the chapter 13 trustee relating to such sale.

(l) Incurring Credit by Debtor During the Pendency of the Plan

(1) Notice

If the debtor proposes to purchase any property involving a credit transaction that may affect the debtor's ability to satisfy the plan, the debtor, prior to seeking any relief from the court, shall file and serve a Notice of Intent to Incur Post Petition Debt (LF 2083-11), along with an amended statement of income and expenses as prescribed by the appropriate official form projecting any changes caused by the purchase, and if the transaction involves real estate, a good faith estimate of closing costs or other similar documents.

(2) Consideration by the Court

- (A)** The court will decide requests for approval of proposed postpetition incurrence of credit if an objection to the Notice of Intent to Incur Post Petition Debt is filed.
- (B)** In all other instances, the court may, in its discretion, either resolve the request on the merits or deny the request without reaching the merits. Requests to approve the postpetition incurrence of credit are not, and should not be used as, a substitute for modifying the plan when otherwise required by the applicable statutory provisions and rules. Requests for mere “comfort orders” relating to the postpetition incurrence of credit are disfavored and may be denied as unnecessary.

(m) Debtors Engaged in Business

Debtors engaged in business shall comply with the applicable provisions of LBR 3016-1(e) and 28 U.S.C. § 959(b), and serve a copy of the Monthly Financial Report on the trustee.

(n) Income Directive

- (1)** The chapter 13 trustee may, at any time, issue a Trustee’s Income Directive or present an ex-parte order, based upon a proposed or confirmed plan requiring any entity from whom the debtor receives money to pay all or part of such income to the chapter 13 trustee.

- (2) In any case in which a debtor desires to make plan payments directly to the trustee in lieu of an income directive, the debtor may do so only upon the entry of an order of the court authorizing such direct payments. The court will prepare the order. Such order will be entered only:
- (A) After filing of a motion for an order authorizing the debtor to make the plan payments directly to the trustee; and
 - (B) After seven (7) days' notice and hearing to the trustee; and
 - (C) Upon a showing of cause.

(o) Dismissal and Conversion

- (1) A debtor desiring to convert a chapter 13 case to a chapter 7 case pursuant to 11 U.S.C. § 1307(a) must file a notice of conversion using the prescribed local form (LF 2083-1o) or text-only docket entry. No motion is required or will be entertained.
- (2) A party in interest or the United States trustee moving for dismissal or conversion shall provide no less than 21 days' notice to all parties on the Master Mailing List.
- (3) Notwithstanding section (2), the United States trustee may move the court for dismissal for failure to timely file schedules or other required documents or attend the meeting of creditors on seven days' notice to the debtor, debtor's attorney, and any entity that has filed and served the United States trustee, or appointee, with a request to receive such notice.

(p) Minimum Plan Payments

A plan that proposes payments of less than \$50 per month to be paid to the chapter 13 trustee shall be supported by an affidavit or unsworn declaration under penalty of perjury explaining the necessity of such minimum payments.

(q) Domestic Support Obligation Certificate

Upon completion of all payments by the debtor under the plan, each debtor shall file a Domestic Support Obligation Certificate as prescribed by the appropriate form (Official Form 2830).

- (1) An appearance may be made by filing a formal notice of appearance. Alternatively, the filing of any pleading shall constitute an appearance by the attorney who signs the pleading.

- (2) A party who appeared by an attorney may not thereafter appear or act pro se in the cause, unless an order of substitution shall first have been made to the Court, after notice to the attorney then of record of such party and to other parties.
- (3) When an attorney having appeared in a cause is removed, withdraws, dies or otherwise ceases to act as such, a party for whom he or she has acted as attorney must, before any further proceedings are had in the action on that party's behalf, appoint another attorney or file a statement of appearance pro se, unless such party is already represented by another attorney.
- (4) The authority and duty of an attorney of record in an adversary proceeding shall continue until withdrawal or substitution and after final judgment for all proper purposes. The authority and duty of an attorney of record in a bankruptcy case shall continue until withdrawal, substitution or the closing of the case.
- (5) Withdrawal by Attorney
 - (A) An attorney who wishes to withdraw from a case or adversary proceeding shall file a motion and serve notice of the motion to withdraw pursuant to LBR 2002-1 on the parties set forth in subparagraph (B) hereof. The notice shall specify a date when the attorney intends to withdraw, which date shall be at least fourteen (14) days after the service of the notice of intent to withdraw. The notice shall include a statement that the withdrawal shall be effective upon entry of an order of the court. If notice is given before trial or any scheduled hearing, the notice shall include the date set for such trial or hearing. The notice shall include the names and last known addresses of the persons represented by the withdrawing attorney.
 - (B) Service of the notice of withdrawal shall be as follows:
 - (i) Attorney for debtor, trustee, or debtor in possession: all entities on the Master Mailing List.
 - (ii) Attorney representing a party to an adversary proceeding or scheduled hearing: party represented and all other parties to the adversary proceeding or scheduled hearing.
 - (iii) All other attorneys: on their client.
 - (C) The withdrawal shall be effective upon entry of an order of the court. The withdrawing attorney may submit an ex parte order to the court upon expiration of the notice period, unless a written objection to the withdrawal has been filed with the court.
 - (D) If a timely written objection is served, withdrawal shall be by order of the Court.

- (6) Substitution of attorneys shall be accomplished by the filing of a substitution document which shall include the effective date of substitution. The document shall be signed by both attorneys, or signed by the new attorney and the client with notice to the original attorney. Court approval of substitution of attorneys is required only where a provision of the Bankruptcy Code or Federal Rules of Bankruptcy Procedure requires approval of the employment of an attorney in the first instance. Notice of substitution shall be served on the parties set forth in subparagraph (b)(5)(B).
- (7) If an additional attorney is associated during the pendency of a case or proceeding, or if the original attorney dies, withdraws, or otherwise ceases to act, notice of the appointment of a new attorney shall be filed and served on the parties set forth in subparagraph (b)(5)(B).

(c) Multiple Counsel

If more than one attorney represents a party, only one attorney shall examine or cross-examine a single witness and only one attorney shall argue the merits before the Court, except by permission of the Court.

(d) Familiarity with Local Rules

Every member of the bar of this Court or attorney practicing before it shall be familiar with and comply with the Local Rules of this Court and shall maintain the respect due courts of justice and judicial officers; shall perform with the honesty, care, and decorum required for the fair and efficient administration of justice and shall discharge the obligations owed to clients and to the judges of the Court.

Consent to Bankruptcy Court Adjudication in Contested Matters

Any party contending that the bankruptcy court cannot exercise final adjudicatory power regarding a matter shall file and serve a memorandum of points and authorities, along with any relevant evidence, objecting to the bankruptcy court's final adjudication of the matter by no less than 14 days before the initial status conference in an adversary proceeding or by the objection deadline that would otherwise apply regarding the motion or other request for relief regarding such matter. Any response must be filed at least 7 days before such initial status conference or by the otherwise applicable reply deadline. **Failure to file and serve papers in a timely manner will be deemed to be implied consent to the bankruptcy court's final adjudication of the matter.**

Advisory Committee Note – June 2020

The bankruptcy court is not an Article III court and thus is constitutionally unable to exercise the judicial power necessary to finally adjudicate certain matters. See *Stern v. Marshall*, 564 U.S. 462, 482-503 (2011). Nevertheless, litigants before a bankruptcy court can consent to its exercise of final adjudicatory power, which consent may be express or implied. See *Wellness Int'l Network, Ltd. v. Sharif*, 575 U.S. ___, 135 S. Ct. 1932, 1947-49 (2015). FRBP 7008 requires certain pleadings in adversary proceedings to contain a statement that the pleader does or does not consent to entry of final orders or judgment by the bankruptcy court. This rule provides a procedure regarding consent to the entry of final orders or judgment by the bankruptcy court in contested matters that may not satisfy the statutory definition of core proceedings or that may be statutorily core but nevertheless outside the scope of final Non-Article III adjudication without consent of the parties.

Alternative Dispute Resolution

(a) Requirement in Adversary Proceedings

The parties in adversary proceedings shall consider alternative dispute resolution and be prepared to discuss it at the time of the first scheduling conference.

(b) Stay

Mediation shall not alter or affect any time limits, deadlines, scheduling matters or orders in any adversary proceeding, contested matter or other proceeding, unless specifically ordered by the court.

(c) Mediation Panel

- (1) The judges of the district shall establish and maintain a register of qualified attorneys who have volunteered to serve, without compensation, as mediators in civil cases. Under appropriate circumstances, it may be necessary for the parties to provide payment at usual and customary rates as determined by the court, for the services of an attorney designated under this rule. Appointment of a mediator is made from a panel of mediators maintained by the court. A list of members appointed to the panel as well as a biographical sketch of each is available on the court's website. The selection of a particular mediator, and an alternate, is based on the preference of the parties.
- (2) Applications for appointment to the Mediation Panel shall be submitted on the prescribed local form (ADR Form 1).
- (3) Panel mediators shall serve on the panel until they request to be removed or are removed by the court.
- (4) No mediator may serve in any matter in violation of the standards set forth in 28 U.S.C. § 455. An attorney mediator shall also promptly determine all conflicts or potential conflicts in the same manner as an attorney would under the Washington Rules of Professional Conduct if any party to the dispute were a client. A non-attorney mediator shall promptly determine all conflicts or potential conflicts in the same manner as under the applicable rules pertaining to the mediator's profession. If the mediator's firm has represented one or more of the parties, the mediator shall promptly disclose that circumstance to all parties in writing. A party who believes that the mediator has a conflict of interest shall promptly bring the matter to the attention of the mediator. If the mediator does not withdraw from the mediation, the matter shall be brought to the attention of the court by the mediator or any of the parties.

- (5) Nothing herein shall preclude parties from using a judge or other non-panel mediator with subject matter expertise.
- (6) The presiding judge may refer matters for mediation to a magistrate judge, a district judge, or a bankruptcy judge designated by the presiding judge in his or her sole discretion. Matters referred shall be governed by the directives in the assigned judge's scheduling order or standing order regarding mediation.

(d) Dispute Resolution Procedures

- (1) The parties, or the court, shall prepare for entry an order appointing mediator (ADR Form 2).
- (2) Participation and Preparation by Counsel. The attorney who is primarily responsible for each party's case shall personally attend the mediation conference and any adjourned sessions of that conference. The attorney for each party shall come prepared to discuss the following matters in detail and in good faith:
 - a. All liability issues;
 - b. All damages issues; and
 - c. The position of his/her client relative to settlement.
- (3) In Person Attendance. Attendance by a party and its representative with full settlement authority at the mediation is mandatory, unless the mediator permits otherwise.
- (4) Failure to Attend. Willful failure to attend the mediation conference, unless excused by the mediator, shall be reported to the presiding judge by the mediator and may result in the imposition of sanctions.
- (5) When appropriate, the mediator may offer an evaluation of the case and/or recommend a settlement.

(e) Confidentiality

- (1) Written and Oral Communications. All written and oral communications made in connection with or during any mediation conference shall be subject to all the protections afforded by Fed. R. Evid. 408 and by Fed. R. Bankr. P. 7068. The mediator may ask the parties to sign a confidentiality agreement. Any confidentiality agreement shall be retained by the mediator and not filed with the court.
- (2) Evaluations and Written Agreements. No provision of this rule shall be construed to prevent parties, counsel or mediators from responding in absolute confidentiality to inquiries or surveys by persons authorized by this court to evaluate the mediation.

Nor shall anything in this section be construed to prohibit the parties from entering into written agreements resolving some or all of the matters or entering or filing procedural or factual stipulations based on suggestions or agreements made in connection with a mediation conference.

(f) Civil Immunity of Mediators

All persons serving as mediators under this rule shall be deemed to be performing quasi-judicial functions and shall be entitled to all of the privileges, immunities and protections that the applicable law accords to persons serving in such capacity.

(g) Parties Retain Option to Pursue Settlement

Nothing in this rule shall prohibit parties from pursuing settlement by any other means not contrary to statute or court rule.

Appointment of Settlement Judges

(a) Appointment Order

Upon a motion, oral request, stipulation, or sua sponte decision, the judge presiding over a particular adversary proceeding, bankruptcy case, or other bankruptcy-related matter may appoint another available active or recall status United States Judge from any judicial district or circuit to act as settlement judge to assist in possible resolution of disputes. The details regarding the appointment of a particular settlement judge will be specified in an appointment order issued by the presiding judge.

(b) Process for Appointment

Any request for appointment of a settlement judge must first be proposed to the presiding judge.

If the parties propose the appointment of a particular other judge as a settlement judge, then the presiding judge may either contact the potential settlement judge (directly or through court staff) or request that the parties contact the potential settlement judge to confirm that such judge is willing and able to serve as settlement judge.

(c) Judicial Immunity and Other Protections

Any federal judge appointed as a settlement judge will be so appointed because of a judicial position as, and to act in the specific capacity as, a United States Judge. By serving as a settlement judge, such judge performs judicial duties.

Accordingly, such judge and all persons assisting a settlement judge will have full, unqualified judicial immunity, as well as all other privileges, immunities, and protections of a United States Judge and judiciary employees, regarding any matters arising from or related to such judge's role as settlement judge.

All parties participating in the settlement process will automatically:

- (1) waive and be unable to assert any claims or causes of action against the settlement judge or any court employees assisting with the settlement process that arise from or relate to the settlement process; and
- (2) waive and be unable to seek to compel from the settlement judge or from any court employees assisting with the settlement process any oral or written testimony, document production (including, without limitation, regarding any records, reports, summaries, notes, communications, or other documents received or made by the settlement judge or any court employees while serving in such capacity), or other

participation whatsoever in any litigation, judicial, arbitral, or other proceeding of any kind.

The settlement judge may, in the settlement judge's sole discretion, require that the parties sign an agreement memorializing the above understandings before agreeing to serve as a settlement judge.

(d) Disqualification

No judge may serve as a settlement judge if that judge would be disqualified (1) under 28 U.S.C. § 144 if that judge were a district judge presiding over the matter or proceeding or (2) under 28 U.S.C. § 455 if that judge were a justice, judge, or other judicial officer presiding over the matter or proceeding, in each case unless the parties consent in writing after disclosure.
