Amendments to Lists & Schedules

(a) Amendment to Schedules

When a schedule is amended to include additional creditors or equity security holders, the amendment, if not filed electronically, shall be accompanied by a matrix listing only those additional creditors or equity security holders. If the notice for the meeting of creditors or equity security holders, as applicable, has already been given mailed, the amending party shall provide mail, with the notice required by FRBP 1009, a notice of the meeting of creditors or equity security holders, as applicable, to the additional creditors or equity security holders, in the manner required by FRBP 2002 and 9036.

Note: This change eliminates the need to file a matrix where the amendment was filed electronically. It also recognizes that notice can be given other than by mail where permitted by FRBP 9036.
