Amendments to Lists & Schedules

(a) Amendment to Schedules

When a schedule is amended to include additional creditors or equity security holders, the amendment, <u>if not filed electronically</u>, shall be accompanied by a matrix listing only those additional creditors or equity security holders. If the notice for the meeting of creditors or equity security holders, as applicable, has already been <u>given mailed</u>, the amending party shall <u>provide mail</u>, with the notice required by FRBP 1009, a notice of the meeting of creditors or equity security holders, as applicable, to the additional creditors or equity security holders, in the manner required by FRBP 2002 and 9036.

Note: This change eliminates the need to file a matrix where the amendment was filed electronically. It also recognizes that notice can be given other than by mail where permitted by FRBP 9036.
